The Refocus Seminar

Everyone is encouraged to participate. Like other organizations, when seasons of life and ministry change, churches can sometimes get stuck in their ways of doing things. The Refocus Seminar is part of what God can use to help churches get back to the main purpose of why we are here as His people. We will spend time in prayer, in the Scriptures, discovering helpful ministry tools and in dialog with one another as we seek to become a healthier church to accomplish the Great Commission.
